USAGE INSTRUCTIONS

We are delighted you have chosen to try The Surfer by Smile Makers. We hope you find the experience pleasant and pampering. We've tried to make it easy to use, but here is some guidance to help you along.

A light will blink when you need to charge your product. Once plugged in for charging, the light will remain lit until the battery is 100% charged. Always charge your product using only original chargers provided by us with your purchase. Before every charge, make sure the DC socket is free from water or lubricant residue.

The product has 1 button.

- To turn on the product, press the button with a single click.
- To turn the product off, hold the button for 2 seconds.
- To turn on/off the travel lock, press again for 4 seconds.
- The product has 3 speed modes and 1 pulsation mode.
- Clicking the button takes you through the different modes.

This product is for use only by adults. If at any point you feel discomfort, nauseous, or otherwise unwell, please stop using the product immediately. If you are pregnant (congratulations!), have a pacemaker, diabetes, phlebitis or thrombosis, please consult with a medical professional regarding the risk of blood clots before using any personal massager.

CLEANING, STORAGE AND SAFETY

The surface of the product is made of cryogenically-polished, FDA approved food grade silicone. So it is super safe, doesn't attract much dust or lint, and is really easy to clean.

Always clean the product thoroughly before and after each use. Wash with lukewarm water and pat dry with a lint-free cloth or towel. Never use cleansers containing alcohol, petrol or acetone. It should go without saying, but for insurance purposes we need to so here it is: never place your product directly in a pot of boiling water.

The product is waterproof, so it is safe to wash under running water or even in the shower. However, avoid fully submerging and getting water into the charging socket.

Never use the product together with silicone-based lubricants, massage oils or hand creams.

Avoid leaving any product from Smile Makers in direct sunlight and do not expose them to extreme heat. Do not use on swollen or damaged skin. Keep out of the reach of children.

In case of malfunction, please contact us at customercare@ramblinbrands.com and we will help you out.

WARRANTY TERMS & CONDITIONS

The product comes with a warranty for a period of TWO (2) YEARS, after the date of original purchase, against defects due to faulty workmanship or materials. If you discover a defect and notify us during the warranty period, we will replace it free of charge.

The warranty covers working parts that affect the product's function. It does not cover cosmetic deterioration caused by fair wear and tear or damage caused by accident, misuse or neglect. Any attempt to open or take apart the product will void the warranty.

Claims under warranty must be supported by reasonable evidence that the date of the claim is within the warranty period. To validate your warranty, please keep your original purchase receipt together with these warranty conditions for the duration of the warranty period.

To claim your warranty, please email customercare@ramblinbrands.com informing us of the nature of the fault, and attaching evidence of purchase. In certain circumstances, you may be asked to return the product to us for inspection. This is to ensure we investigate faulty products and improve our processes for future users.

DISPOSAL INFORMATION

Help us take care of the environment and do not dispose this product along with regular household waste. Please bring it to a collection point for recycling of electrical and electronic equipment.
