Clitoral Suction Stimulator

QUICK-START GUIDE

ENGLISH

HOW TO USE YOUR Clitoral Suction Stimulator

Charge the toy by plugging the USB cable into a USB charging point, and attaching the magnetic connector to the toy.

The toy will take approximately 85 minutes to fully charge and will give you up to 65 minutes of play.

Cover the rim of the stimulator with water-based lubricant.

Position the toy so that the stimulation head encircles your clitoris.

Press and hold the bottom button for 2 seconds to put the toy into standby mode.

Press the top button to cycle through the 6 speeds and 4 vibration patterns.

Press and hold the bottom button to turn the toy off.

To activate the travel lock, press and hold both buttons simultaneously for 3 seconds. The LED light will flash to show that the travel lock is on. Repeat to deactivate. Charging your toy will also deactivate the travel lock.

Clean it with warm water and a spritz or two of sex toy cleaner, then leave it to air dry until your next pleasure session.

Box contents: Suction stimulator, USB charging cable, quick-start guide, safety manual.

Warning: To avoid injury or aggravation of pre-existing conditions, do not use on swollen or inflamed areas or skin lacerations. No medical claims are warranted or implied by the use of this product.
