

Safe Hair Removal Kit
very sensitive skin
WHOLE BODY, BIKINI
ULTRA NOURISHING

Set contains:

Hair removal cream, 100 ml
Soothing & hair growth inhibiting balm, 2x5g
Spatula

VANITY SOFT EXPERT safe hair removal kit is now enhanced by the soothing action of the body balm. It proves exceptionally effective hair removal and active care for very sensitive skin.

STEP 1:

The velvety-smooth and gentle hair removal cream is designed for exceptionally gentle and very effective, fast and painless removal of even the shortest hair. It contains **urea** to deliver softening and exfoliating action and to prevent ingrown hair. The cream is enriched with **hyaluronic acid** that moisturizes and smoothes the skin.

STEP 2:

The uniquely delicate milk with extraordinary soothing properties provides proper care for sensitive skin and skin irritated by depilation. The balm is enriched with **TELOCAPIL™**. With systematic use of balm, hair grown back slower, becomes weaker and finer. The balm contains **aloe vera**, **allantoin** and **d-panthenol**.

EFFECT: silky smooth and soothed skin; significantly extends hair removal intervals.

Application:

- Apply the cream on clean and dry skin with the spatula, do not rub in.
- Leave it on for 5 minutes. If the hair is strong, the cream can be left on the skin for a little longer, 10 minutes max.
- Use the spatula to remove the cream.
- Wash the skin with warm water and dry. Do not use soap.
- Delicately massage the **SOOTHING BALM** into the depilated areas directly after the hair removal procedure.

PRECAUTIONS FOR USE:

- DO NOT DISCARD THE PACKAGE (cardboard container) as there are directions and precautions printed on it
- do not use the cream if any burning sensation or skin irritation appears within 24 hours
- do not apply on irritated or tanned skin, scars, blemishes, spots, and other skin lesions, if you use drugs affecting the skin, and within 72 h from the previous hair removal treatment
- do not use deodorants and any other alcohol-containing cosmetics within 24 h after application
- do not take hot baths or showers before and after hair removal
- avoid contact with mucous membranes
- the hair removal product can be applied on body and bikini line – do not use it to remove hair from scalp, breasts as well as anal and genital area
- avoid contact with eyes! In case of contact with eyes, rinse immediately with cold water and seek medical advice
- caution – strong preparation
- contains alkali compounds and thioglycolates
- for external use only. If swallowed, seek medical attention and show the product container immediately.
