

**Soft Hair Removal Cream
for delicate skin
BODY, FACE, BIKINI**

Exceptionally delicate and velvet smooth cream for instant hair removal. It gently and precisely removes even the shortest hair, which makes the depilation exceptionally fast, effective and painless.

It contains nourishing silk proteins moisturizing and protective, making the skin smooth and velvety.

Application:

- Apply the cream on clean and dry skin with the spatula, do not rub in.
- Leave it on for 5 minutes. If the hair is strong, the cream can be left on the skin for a little longer, 10 minutes max.
- Use the spatula to remove the cream.
- Wash the skin with warm water and dry. Do not use soap.

NOTE

the effect depends on the thickness and type of hair and skin.

PRECAUTIONS FOR USE:

- DO NOT DISCARD THE PACKAGE (cardboard container) as there are directions and precautions printed on it
- do not use the cream if any burning sensation or skin irritation appears within 24 hours
- do not apply on irritated or tanned skin, scars, blemishes, spots, and other skin lesions, if you use drugs affecting the skin, and within 72 h from the previous hair removal treatment
- do not use deodorants and any other alcohol-containing cosmetics within 24 h after application
- do not take hot baths or showers before and after hair removal
- avoid contact with mucous membranes
- the hair removal product can be applied on body and bikini line - do not use it to remove hair from scalp, breasts as well as anal and genital area
- avoid contact with eyes! In case of contact with eyes, rinse immediately with cold water and seek medical advice
- caution - strong preparation
- contains alkali compounds and thioglycolates
- for external use only. If swallowed, seek medical attention and show the product container immediately.
