

# Pipedream AFC Vibrating Curve Anal Vibrator

**Instructions for use:**

1. Turn the base (towards the right) located on the bottom of the vibrator, which is also the lid, to put the vibrator into operation.
2. The bottom of the vibrator also serves as a stepless vibration control.
3. Turn the base (towards the left) to turn the vibrator off.

**Maintenance:**

Wash the vibrator with water and antibacterial soap. For a more thorough cleaning, use a cleaner designed for silicone erotic toys.

The vibrator is waterproof, so maintenance is very easy.

**Storage:**

Store separately from other erotic toys in a dry and dark place.

**Lubrication:**

Use only water and silicone based lubricants. Other lubricating gels could damage the surface of the toy!

**Power supply:**

The vibrator is powered by a single 1.5V AAA battery.

**Package contents:**

Vibrator
