# FOREO APP FEATURES

## FIRST THINGS FIRST...UNLOCK YOUR DEVICE VIA THE FOREO APP

In order to use your device, you MUST unlock it and automatically register it through the FOREO For You app. All FOREO smart devices will arrive at customer's doors locked, meaning they will need to unlock their device on the app for their first time use. With innovative wake-up mode, the device automatically looks for Bluetooth connectivity every 10 seconds within a 6 meter reach, making sure the FOREO app is always connected without draining the battery.

Ensure your FOREO device is authentic by allowing automatic user registration via the FOREO app. With harmful LUNA copies on the market made of skin-damaging silicone, this feature ensures your skin is safe.

## PERSONALIZED DEVICE SETTINGS

Adjusts intensity of T-Sonic pulsations in cleansing mode & glow boost mode

## INSTANT APP CONNECTIVITY

Automatically connects device with smartphone when turned on

## SOFTWARE UPDATES

Stay up to date with the latest software improvements & updates

# FAQ

## WHICH FACIAL CLEANSERS CAN BE USED WITH LUNA MINI 3?

You can use any facial cleanser with LUNA mini 3, but to keep your device in optimal condition, avoid clay-based, silicone-based, or grainy cleansers as they may damage the silicone. For best results, we recommend using the FOREO Micro-Foam Cleanser.

## CAN LUNA MINI 3 REPLACE MAKEUP REMOVERS?

We suggest you remove makeup before use for more effective cleansing.

## CAN I USE LUNA MINI 3 IF I HAVE SKIN CONDITIONS SUCH AS ACNE OR ECZEMA OR IF I HAVE HAD A COSMETIC PROCEDURE SUCH AS BOTOX?

We suggest that anyone who suffers from a serious skin condition or has undergone a cosmetic procedure to consult a physician or skincare professional before using this device.

## HOW DO I CLEAN LUNA MINI 3?

Wash the device with soap and water, rinse with warm water and pat dry with a lint-free cloth or towel. We recommend spraying the device with FOREO's Silicone Cleaning Spray and rinsing with warm water afterwards for optimal results.

## HOW DO I PAIR MY DEVICE WITH THE APP?

Download the FOREO app to your smartphone or tablet. Press the universal button to turn on. A blinking white light indicates LUNA mini 3 is in pairing mode. Follow the instructions in the app to register and pair your LUNA mini 3.

## HOW DO I ADJUST THE INTENSITY OF THE T-SONIC PULSATIONS?

LUNA mini 3 features 12 different cleansing intensities to choose from. To adjust your cleansing settings, sync your device to the FOREO app and select your preferred intensity.

## WHAT DOES IT MEAN WHEN LUNA MINI 3 IS CONTINUOUSLY BLINKING?

A blinking white light indicates LUNA mini 3 is in Bluetooth pairing mode or that the device needs to be charged. Follow the instructions in the app to sync your LUNA mini 3.

## WHAT IS THE DIFFERENCE BETWEEN GLOW BOOST MODE AND REGULAR CLEANSING MODE?

Glow boost mode offers a quick-press cleansing routine that lasts 30 seconds for when you're short on time but need a boost of radiance, while regular cleansing mode does not have a pre-set time limit.

## DOES LUNA MINI 3 WORK WITHOUT THE APP?

Both LUNA mini 3's cleansing mode and glow boost mode do not require you to use the FOREO app. However, to unlock your device for your first use, you must register through the FOREO app. To select your cleansing intensity in either mode you must use the FOREO app. Once you select your preferences they will automatically sync with the device.

## WHY DO CUSTOMERS NEED TO DOWNLOAD THE FOREO APP BEFORE USING LUNA MINI 3?

From now on, all app-enabled FOREO products need to be activated and unlocked via the FOREO For You App the first time they turn them on. This helps us protect against fake/copied FOREO products, and it makes it easier to register the warranty and protect your investment.

## HOW DO I CHARGE LUNA MINI 3?

LUNA mini 3 is USB-rechargeable, with a 1.5 hour charge delivering up to 400 uses.
