Congratulations on your purchase of this **appliance for professional use**, which is compliant with the standards regarding professional appliances. The sound pressure value of Parlux hair dryers is below 70 dB (A), as set out by the reference standards.

INSTRUCTION FOR USE

- When the hairdryer is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the hairdryer is switched off.
- For additional protection, the installation of a residual current device (RCD) having a rated residual operating current not exceeding 30 mA is advisable in the electrical circuit supplying the bathroom. Ask your installer for advice.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- The hair dryer filter must be cleaned once a week.

- Before using your appliance check the voltage.
- Always unplug the appliance immediately after using.
- Do not place in or drop into water or other liquid.
- Do not reach for an appliance that has fallen into water. Unplug immediately.
- Do not remove the filter when the appliance is plugged in.
- To avoid damaging the cable and to prevent all associated risks, do not wrap the cable around the device.
- Do not touch the front grill during appliance use to avoid the risk of burning.

Illustrations

- Fig. 1 – 2 – 3: Cleaning the filter
 - Fig. 4 – 5 – 6: Use of switches
- Switch n. 1 switches on the hairdryer and enables you to select the "MIN and MAX" speed.
- Switch n. 2 enables you to select the "MIN and MAX" temperature.
- Keep button n.3 pressed for a jet of cold air.
- To switch the hairdryer off, move switch n.1 to position "0".

WARNING: Electric Shock Hazard.

- Do not remove cover. Refer servicing to qualified service personnel.
- Use the appliance only for the purpose it was designed for. Do not use it on wigs or animal fur. Do not direct the air flow towards other objects, electrical appliances or similar items. The manufacturer declines all responsibility for damage that may be caused by the incorrect use of the appliance.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

Our appliances comply with EMC directive 2014/30/UE and with the Low Voltage directive 2014/35/UE.

This symbol indicates that the product must be recycled separately. Its suitable recycling will help protect the environment. For further information on recycling this product please contact the shop where you purchased the article.

The class II symbol, or Double Insulation, indicates that this product has been made in such a way as not to need an electrical connection to earth. These products are made so that, in the event of a single breakdown, the user will not have any contact with dangerous voltage, as the enveloping structure is made in an insulating material.

ITALIANO – CONDIZIONI DI GARANZIA

Questo apparecchio destinato al solo uso professionale per parrucchieri è stato sottoposto ad accurati collaudi. Essendo un apparecchio professionale soggetto a particolare usura è coperto dalla garanzia di sei mesi che decorre dalla data di acquisto anche se non è stato usato. La Parlux si impegna a riparare o sostituire gratuitamente quelle parti che entro il periodo di garanzia si dimostrassero a suo giudizio non efficienti a causa di difetti di materiale e di costruzione. È esclusa la sostituzione e riparazione delle parti soggette a normale usura. È esclusa la sostituzione integrale dell'apparecchio e non si riconoscono richieste per risarcimenti di danni alle cose od alle persone.

La garanzia non viene riconosciuta nei danni causati per rottura accidentale o da trasporto, per mancata manutenzione o pulizia, per imperizia o incuria nell'uso e per manomissioni o riparazioni da terzi non autorizzati. Le riparazioni e sostituzioni contemplate nell'impegno di garanzia vengono effettuate **unicamente** dalla casa produttrice Parlux – Trezzano sul Naviglio e le spese di trasporto sono a carico dell'acquirente.

La presente garanzia è valida solo se convalidata dal timbro e firma del rivenditore nonché dalla data di acquisto.

Per le riparazioni in garanzia spedire l'apparecchio alla casa produttrice Parlux unendo il tagliando di garanzia compilato.

Per le riparazioni non in garanzia contattare il Centro Assistenza Autorizzato più vicino consultando l'elenco alla pagina "Centri Assistenza" sul sito www.parlux.it.

ENGLISH – GUARANTEE

This appliance, meant only for use by professional hairdressers, has been subject to careful testing. Since it is a professional appliance subject to particular wear, it is covered by a six month guarantee commencing on the date of purchase, even if it has not been used. Parlux undertakes to repair or replace free of charge, during the warranty period, any parts which they consider to be inefficient owing to faulty workmanship and/or materials. The replacement and repair of components subject to normal wear and tear is excluded. Complete appliances shall not be replaced and the Company shall accept no demands for compensation resulting from damage to persons or property.

The warranty does not recognize damages caused by accidental breakage or transit, lack of maintenance and cleaning, carelessness or negligence in use or tampering or repair work accomplished by unauthorized persons.

The repair and replacements contemplated for in the undertaking of the warranty are effected free of charge in the Authorized After Sales Service Centre and the costs of carriage and packing are payable by the purchaser.

This warranty is valid only when stamped and signed by the Shopkeeper and marked with the date of purchase.

ESPAÑOL – CONDICIONES DE GARANTÍA

Este aparato, destinado exclusivamente al uso profesional para peluqueros, ha sido sometido a cuidadosas pruebas. Siendo un aparato profesional sometido a un desgaste particular, está cubierto por una garantía de seis meses que comienza a partir de la fecha de compra aunque no haya sido usado. P

arlux se compromete a reparar o reemplazar gratuitamente aquellas piezas que, en el plazo de garantía, resultasen, a su juicio, no eficientes o causa de defectos de material y construcción. Queda excluida la posibilidad de reparación y sustitución de las piezas sometidas a desgaste natural. Queda excluida la sustitución integral del aparato y no se cursan las demandas de indemnización de daños a cosas y personas.

La garantía no vale para daños provocados por ruptura accidental o por transporte, por falta de mantenimiento o limpieza, por impericia o descuido en el empleo y por menoscabados o reparaciones efectuadas por terceros no autorizados.

La presente garantía vale sólo si convalidada por el timbre y la firma del vendedor y a partir de la fecha de compra.
