

SLEEP BUDDY

- The pacifier is one size and suitable for newborns & onwards. It is gum-friendly.
- The soft toy prevents the pacifier from rolling away and keeps it within the reach of the baby.
- The toy eases the baby to sleep with its soothing texture.
- Lightweight of the toy is suitable for newborns.
- Helps prevent the development of thumb-sucking habits.
- We recommend limiting pacifier time by age 2 and eliminating it by age 4 to avoid dental problems.

Cleaning Instructions

- Wash thoroughly before initial use.
- Hand wash or steriliser.

Warning

- Always use with adult supervision.
- Never leave child unattended while using this product.
- Inspect the product before each use.
- Wash thoroughly before each use.
- Do not hang it on the baby's neck, it may cause suffocation.
- The pacifier is designed not to be swallowed. Remove gently and carefully from the mouth.
- Visually check the pacifier by pulling it in all directions before each use. Throw away at the first sign of damage or weakness.
- Do not expose the pacifier to disinfectant for longer than recommended, under direct sunlight and direct heat.
- Boil it in water for 5 minutes before initial use. This process is necessary to ensure cleanliness.
- Never immerse the pacifier tip in sugar or medicine.
