

# Perfect Mousse – Baseline – MASTER – 2lang.

295 mm

205 mm

## INSTRUCTION LEAFLET:

### ATTENTION, PLEASE NOTE

Before application, please read the **safety instructions** on the back side of the instruction leaflet carefully.

#### 1. PREPARATION:

Before starting the application, place a **clothing protection** and a **watch** nearby so that you can monitor the application time. Perfect Mousse is to be used on **dry, not pre-washed hair**. Before coloring your hair, remove the gloves supplied from the back of the instruction leaflet and put them on.

#### 2. MIXING:

Fill the whole content of the color gel into the applicator bottle. Then close the applicator bottle with the foaming pump.

#### DO NOT SHAKE THE BOTTLE!

Turn the applicator bottle upside down 2–3 times to mix both liquids. Pump the foam directly into your hand. Application on **DRY**, not pre-washed hair.

#### 3.A TOTAL APPLICATION

Apply the foam on dry hair. **Apply to areas of greys first for optimal grey coverage**. Distribute the rest of the foam into the lengths of your hair and the back of your head.

Thoroughly work in the foam into your hair until hair is completely saturated with foam.

#### USE ENTIRE MIXTURE FOR SHOULDER LENGTH HAIR.

Make sure all outlines are evenly covered with the foam. Otherwise work in the foam from the top of your head into the outlines. **PROCESSING TIME: 30 MINUTES.**

#### 3. B RE-GROWTH APPLICATION:

Make a parting (use plastic comb if needed) and pump the foam into your hand. Apply the foam generously strand after strand on the dry re-growth area. Use at least half of the color mixture for the re-growth area.

Also for the back of the head, separate your hair into sections and apply the foam. When the entire re-growth area is covered with the foam, allow the foam to work for **25 MINUTES**.

Apply the rest of the foam **COMPLETELY** on the lengths of your hair and thoroughly work in.

Now allow the foam to work for another **5 MINUTES**.

#### 4. RINSE OUT:

At the end of the application time, apply warm water to the hair and work into lather. Then rinse out thoroughly until **water runs clear**.

#### 5. AFTER TREATMENT:

Apply the care conditioner into your hair and leave for **2 MINUTES**. Then rinse hair thoroughly. For even more care see the tips and tricks on the Folding Box.

## DISPOSAL:

- Check your local waste management system for further information.
- Check your local waste management system for further information.

295 mm

205 mm

## INSTRUCTION LEAFLET:

**ATTENTION, PLEASE NOTE:** Before application, please read the SAFETY INSTRUCTIONS below and perform an allergy alert test.

- Before starting, put on the gloves supplied.
- Apply the mixture on dry, not pre-washed hair.
- Please use the whole mixture in order to achieve your desired color result.

## SAFETY INSTRUCTIONS

**!** Hair colorants can cause severe allergic reactions. Read and follow instructions. This product is not intended for use on persons under the age of 16. Temporary "black henna" tattoos may increase your risk of allergy.

Do not color your hair if:

- you have a rash on your face or sensitive, irritated and damaged scalp,
- you have ever experienced any reaction after coloring your hair,
- you have experienced a reaction to a temporary "black henna" tattoo in the past.

Contains: see folding box. Avoid contact with eyes. Rinse immediately if product comes into contact with them. Do not use to dye eyelashes or eyebrows. Rinse hair well after application. Wear suitable gloves. Keep out of reach of children.

Keep the empty carton and the instruction leaflet in case you experience a reaction. To reduce your risk, follow these instructions.

### 1. ALLERGY ALERT TEST

Perform an allergy alert test 48 hours before each product use even if you have already used coloring products before. Perform the allergy alert test on an area of skin sized approximately 1 cm x 1 cm on the inside of the elbow. Apply a small amount of the Color Gel in a thin layer on the inside of the elbow with a cotton bud and leave uncovered for 45 minutes. Avoid contact with clothes. Close bottle again carefully. After 45 minutes, wash off the Color Gel thoroughly with lukewarm water. If any reaction occurs during the processing time or during the following 48 hours, you should rinse immediately and not use this colorant.

This test represents an important precaution. However, be aware that even if an allergy alert test has been carried out you may still experience an allergic reaction when you color your hair. The allergy alert test is not a guarantee of avoiding future allergic reactions. Please consult a doctor, if you have any doubts.

### 2. IF DURING COLORING YOU EXPERIENCE

- any stinging or burning and/or rash, rinse immediately and discontinue coloring your hair as this may be an indication of a more serious reaction. Do not color your hair again before consulting a doctor or seeking medical advice.
- rapidly spreading skin rash, dizziness or faintness, shortness of breath and/or swelling of eyes/face, rinse immediately and seek immediate medical attention and contact the manufacturer.

### 3. IF AFTER COLORING OR ON THE FOLLOWING DAYS YOU EXPERIENCE problems such as skin or scalp itching, skin or scalp rash, swelling of eyes/face, blistering and/or skin or scalp weeping, seek immediate medical attention and contact the manufacturer.

### PRECAUTIONS

- This product contains ingredients which may cause severe eye irritation and possible permanent eye injury. If the developer or hair color mixture gets into your eye, flush immediately with a large amount of lukewarm water and seek medical advice.
- If you wear contact lenses during application and any product gets into your eye, remove the contact lens first, then flush immediately with a large amount of lukewarm water and seek medical advice.
- Do not inhale or ingest the product.
- Avoid unnecessary skin contact.
- Do not use if your hair has been colored with henna or metal dyes.
- Remove all metal objects such as clips and hair pins from hair before coloring and keep them away during coloring. Do not use metal tools.
- Keep developer away from heat and light. Do not mix this colorant with any other product. Do not keep any unused product. Do not leave the mixture in a closed bottle (bottle may expand or burst).
