

How to apply the product:

The recommended mixture:

Mix with 6%, 9% or 12% Wella Welloxon Perfect. If the product may come into contact with the scalp (an overall application or application at the roots), the 6% activator is the maximum.

Mix in the ratio of 1:1 or a maximum of 1:2 in a non-metallic bowl.

Application and reaction time:

Apply the lightener mixture evenly to unwashed hair.

The reaction time depends on the condition of the hair.

Check your hair every 5-10 minutes.

The maximum reaction time is 50 minutes.

The first application: initially apply the mixture from halfway down the hair to the ends and then subsequently to the roots.

After treatment:

Wash the lightener mixture out thoroughly using shampoo and rinse with warm water.

After rinsing, apply Blondor Blonde Seal&Care for shine and hair care.

CAUTION:

These are professional hair dyes which have been designed for use in hairdressing salons. Applications undertaken at home should always be preceded by

consultation with a hairdresser about the suitable hair shade and the strength of the activation emulsion. The resulting colour always depends on the type and condition of the hair. In the event of an allergic reaction, immediately remove the preparation and do not use it again. Avoid contact with the eyes. Keep out of the reach of children. Do not use any metallic implements during the application. Store in a dry place.

SAFETY INSTRUCTIONS

Only for professional use. Hair dyes can cause severe allergic reactions. Read and follow these instructions. This product is not intended for use by persons under 16 years of age. Black henna temporary tattoos may increase the risk of an allergy.

Do not dye your hair if:

- you have a rash on your face or a sensitive, irritated or

damaged scalp;

- you have previously experienced a reaction after dyeing your hair;

- you have previously experienced a reaction to temporary black henna tattoos.

Avoid contact with your eyes. If the product comes into contact with your eyes, rinse them immediately with plenty of water. Do not use the product to dye your eyelashes or eyebrows. Rinse your hair well after application. Use suitable protective gloves. Keep out of the reach of children.
