

Schwarzkopf Blond Me White Blending Cream 60 ml

INSTRUCTIONS FOR USE:

Apply on dry hair without any prior shampooing.

Recommended initial colour: Dark blonde 6-0 or lighter. Designed for application on hair which is 30% to 100% white. It lightens natural hair by up to 4 levels of lift. In the case of a starting colour which is darker than 6-0, first use Blond Me Prémiový 9+ dust-reduced powder lightener and then apply the white blending cream as the next step.

Mixing:

Mix the white blending cream and the Premium Care Developer in a ratio of 1:1. Recommended developer

concentration: 12% for the 6-0 and 7-0 shades and 9% for the 8-0 shade and lighter. Always mix the lightener cream and developer carefully until you achieve a smooth creamy consistency.

Application:

Apply the mixture immediately after mixing. Use enough mixture to achieve perfect coverage and the best level of lightening.

Reaction time:

30-45 minutes at room temperature. The application of additional heat is not recommended.

Rinsing:

Rinse the mixture out of your hair thoroughly after the completion of the reaction time. Use the shampoo and

conditioner from the Blond Me range.

Note:

Blond Me toning can be added to achieve individual blonde shades. Maintain the mixing ratio of 1:1 with the developer (for example, 45g of Ice Cover Cream + 15g of Steel Blue Toner + 60g of Premium Care Developer).

SAFETY INSTRUCTIONS

Only for professional use. Hair dyes can cause severe allergic reactions. Read and follow these instructions. This product is not intended for use by persons under 16 years of age. Black henna temporary tattoos may increase the risk of an allergy.

Do not dye your hair if:

- you have a rash on your face or a sensitive, irritated or

damaged scalp;

- you have previously experienced a reaction after dyeing your hair;

- you have previously experienced a reaction to temporary black henna tattoos.

Avoid contact with your eyes. If the product comes into contact with your eyes, rinse them immediately with plenty of water. Do not use the product to dye your eyelashes or eyebrows. Rinse your hair well after application. Use suitable protective gloves. Keep out of the reach of children.
