

Wella Color Touch Sunlights

Recommended mixing:

- always mix the Color Touch Sunlights dye with the 4% Color Touch emulsion

a ratio of 1:2 (for example 30 g of cream + 60 g of emulsion)

mix the Color Touch Sunlights dye in a plastic bowl; do not mix it with dyes from another collection (Color Touch, Koleston Perfect)

Application:

- wear gloves

apply Color Touch Sunlights to unwashed hair and apply

it along the entire length of the hair from the roots to the ends

the reaction time: 20 minutes without the application of heat or 15 minutes on hair which has been dyed with a permanent hair dye/ironed

the reaction time: 15 minutes with the application of heat (Climazon2) or 10 minutes on hair which has been dyed with a permanent hair dye/ironed

you can extend the reaction time by 5 minutes if necessary

Dyeing roots:

Only apply to the roots of the hair.

Matching the colour of the hair along its entire length to the ends:

Apply the Color Touch Sunlights dye along the entire length of the hair up to the ends. The additional reaction time: 5-10 minutes

Subsequent care:

wash your hair thoroughly with hot water once the reaction time is over

wash your hair with Wella Professionals shampoo for dyed hair

use SP 3.8 Color Save Emulsion or Lifetex Color protective foam to fix the dye.

SAFETY INSTRUCTIONS

Only for professional use. Hair dyes can cause severe allergic reactions. Read and follow these instructions. This product is not intended for use by persons under 16 years of age. Black henna temporary tattoos may

increase the risk of an allergy.

Do not dye your hair if:

- you have a rash on your face or a sensitive, irritated or damaged scalp;
- you have previously experienced a reaction after dyeing your hair;
- you have previously experienced a reaction to temporary black henna tattoos.

Avoid contact with your eyes. If the product comes into contact with your eyes, rinse them immediately with plenty of water. Do not use the product to dye your eyelashes or eyebrows. Rinse your hair well after application. Use suitable protective gloves. Keep out of the reach of children.
